

Logging in to the ACADEMIX PORTAL

- 1 Navigate to <http://AcademixPortal.pythonanywhere.com>

- 2 Click "Login"

3 Click the "Username" field.

The image shows a 'Student Login' form. The form has a title 'Student Login' at the top. Below the title, there are two input fields: 'Username' and 'Password'. The 'Username' field is highlighted with a blue circle. Below the 'Password' field, there is a blue 'Login' button and a link for 'Forgot password?'.

4 Type your institutional email ID

- 5 Click the "Enter Password" field.

The image shows a 'Student Login' form. It has a title 'Student Login' at the top. Below the title are two input fields: 'Username' and 'Password'. The 'Password' field contains the placeholder text 'Enter your password' and is highlighted with an orange circle. Below the password field is a blue 'Login' button. Under the button are links for 'Forgot password?' and 'Don't have an account? Register here'. The form is set against a light blue background with decorative orange and blue circles.

- 6 Click "Login"

This image shows the same 'Student Login' form as in the previous step. In this step, the 'Login' button is highlighted with an orange circle. The 'Password' field now contains several dots, indicating that a password has been entered. The rest of the form, including the 'Username' field and the 'Register here' link, remains the same.
